Thought it... 5.3: The Film So the long wait for the press launch has come and gone... the McLaren F1 is officially revealed. Thought it didn't come with a teaser video like they did with the M1. It's also a really interesting vehicle. Shame we don't have any footage of it, other than some basic shots they used on the official press release.. I can't wait

until James May gets the keys to test drive it. One of my favorite shows of the year is returning for its fifth and final season on Amazon Prime this Sunday. Over the course of these past four seasons, "Transparent" has exposed the ugly underbelly of the American Jewish community in a way never before seen on television. Now that it's no longer possible to make light of the appalling treatment meted out by leaders of the L.A. temple and local community to a woman who appears

on screen to them as a cancer patient, it's important to ask whether the show is being unfairly criticized. Harmless as the show's comedic moments are, we should never forget that it was intended to expose the most corrupt aspects of the local Jewish community. Yes, it is the rare TV show that has succeeded in doing this, because it went for the jugular. In portraying a Jewish family in which every member is a fraud, it became harder to identify with a family like that. But it never

compromised the seriousness of its mission. After all, how could it? More importantly, the "Transparent" creators and producers were dismayed that so many 3ef4e8ef8d
