Download Cheats, Codes, Hack, Tips, Secrets, and Trainer files for Metal Gear Rising: Revengeance on Cheat Happens. Metal Assault (not rated) Action, shooter Developer: Platinum Games Publisher: Konami Digital Entertainment Genre: Action, shooter Language: English Release Date: (NA) Platform: Wii EA Sports Active does not offer a Metal Assault trainer. One way to add more playing time is to load an existing EA Sports Active game and on the main menu, choose "Add Game." Choose "Add Game through My EA." The game you will be transferring from will not be installed, so you will have to load the title from scratch. Controls: On the Wii, hold the Wii remote sideways in the back of your hand with your thumb over the top portion of the bottom of the remote. You use this thumb to move the character, including his arm, and any associated projectile, such as his knife. Metal Assault (not rated) Action, shooter Developer: Platinum Games Publisher: Konami Digital Entertainment Genre: Action, shooter Language: English Release Date: (NA) Platform: Wii Date of Release: Dec 27, 2011 Metal Assault (not rated) License Type: Free to play Game Lobby This game has a poll. To add this game to the game lobby, enter in a name for the game. This game has general hints. Hint: Cut Scenes To see cut scenes, pause the game by pressing the B button. This is a game of territorial combat, as more than 100 body parts are in play. Your character, with three weapons, can blast a gun, cut off arms and legs, sever heads, even clobber his opponent. After he chops off a limb, all kinds of parts can be picked up -- a hand, a thigh, a head, an arm -- and they can be stored in your slacks or in your case. You can also trade parts by knocking an enemy in to another one. Each piece of your own body is treated as a weapon and it can be turned to your advantage in fights, such as when it's turned into a shield or if you are using a head as a hammer to smash enemies. A skull, with a bullet hole in it, can be turned into a bullet-catcher to knock bullets out of the air. Metal Assault (not rated) Action, shooter
