maker pro, kvisoft flipbook maker pro portable, free download . A good product to look at, but gives no help. I tried to add pages 1-2 to see that the free trial was not necessary, and then when I went to remove it, it said that there were only 50 pages. It also didn't offer to install if I were going to be installing my own copy. I went back to make sure that I had removed it, and it was still there. Seems
