# Xbox 360 Emulator

## V3.2.6 Download

I used to play any old GameCube games on my 360 using Mupen64 with the PSX button emulation. I have used this since it was closed source and the only thing I could do. I was able to play Ikaruga and some other Sega games that were released for the GameCube, but if I tried to play something else I would get a "No Emulator Found" error. Jun 12, 2020 Nintendo Switch Emulator, SNES9x is an open-source Game Boy emulator for Nintendo Switch. Version 3.0.1 and the latest stable version 3.0.3 released. Mar 25, 2020 Super Game Boy Emulator (SGB\_NES) is a Nintendo Game Boy emulator for the Nintendo Switch, an unofficial one, currently in alpha release, with compatibility for all Game Boy games but, generally, only some titles. Mar 15, 2020 PlayStation 4 Emulator, Snagetoo is an unofficial PS4 emulator for Nintendo Switch. Mar 15, 2020 Game Boy Advance emulator, TGB is an unofficial GBA emulator for Nintendo Switch, currently in alpha release with compatibility for all GBA games but, generally, only some titles. Mar 14, 2020 SNES emulator, Super NES Emulator is an unofficial SNES emulator for Nintendo Switch, an unofficial one, currently in alpha release, with compatibility for all SNES games but, generally, only some titles. Mar 14, 2020 Super Nintendo Entertainment System or Super Nintendo Entertainment System Emulator (SNES Emulator for PC) is a Nintendo DS emulator for the Nintendo Switch. It was released with beta versions, a few hours earlier, at E3. It emulates both the Nintendo 64 and Nintendo DS versions of the console. It was developed by the same team as the previously released Nintendo DS emulator, and as such, shares some of the same features. This release is considered to be for the beta version, and will most likely be renamed to "DS Game Boy Advance Emulator" as soon as all the features have been implemented. Jan 19, 2020 GameBoy Advance (GB1/GB2/GB3/GBC), PPSSPP is an open-source Game Boy Advance emulator for the Nintendo Switch, an unofficial one, currently in alpha release, with compatibility for all Game Boy Advance games. Mar 24, 2020 Xbox 360 Emulator, an unofficial Xbox 360 Emulator for the Nintendo Switch,
