Note If you don't want to upgrade to a Windows 8 PC that includes full features, buy a PC with Windows 8 Home. A PC with Windows 8 Home costs less than a full version of Windows 8. ## Windows 8 PCs Most people will find that Windows 8 PCs are actually _better_ than Windows 7 PCs because they include everything you get for free with Windows 8. Windows Media Player 12 has been replaced by Windows 8 Player, which is more efficient and easier to use. You can download Windows 8 for free, so you don't need to buy a copy. If you're not sure whether to buy a low-cost or full version of Windows 8, the best advice is to buy a low-cost PC. The low-cost Windows 8 PC is cheaper and it includes the stuff you need right out of the box. It's a complete computer that can serve as a primary computer for work and school. The full version of Windows 8 is a complete PC, too, but it requires
