When choosing your driver, be sure to select the correct driver for your operating system.Tag Archives: Grassroots Voters are being asked to show their support for super PACs by completing a simple online survey. Super PACs can, and do, spend money in support of candidates without limitation, so long as they do not "coordinate" their campaign activities with the candidate's campaign. A new campaign has emerged, "Campaign for Primary Accountability" (www.primaryaccountability.com) designed to address this problem. A non-partisan non-profit, this PAC would "only raise money for candidates that are dedicated to ending the corrosive influence of money in politics." According to their website, "The primary accountability candidates are committed to returning to 2d92ce491b
