Applicants are required to solve a series of multiple choice questions which require thorough knowledge of the Bangladesh banking system. The question paper has the same pattern as the Bangladesh Bar Exam. The deadline to submit the answers is February 16. State Bank of India has brought in transparency in its online banking portal. Anyone can view a list of transactions including the history of incoming and outgoing payments, cash deposits and withdrawals, cheques, loan advances, bill payments and other payments. The bank has been under increased pressure from the authority to report frauds and malpractices in the online banking system. State Bank of India (SBI) has announced to merge its online and mobile banking services into a single platform called m-Banking. The mobile banking service has been very useful for the customers as the customers can check their account balances, pay bills, and transfer money from their registered account through their mobile phones. The mobile banking service can be availed in an easy manner from the bank’s website or by downloading the m-Banking app. The Indian government has issued a license to State Bank of India to acquire Hong Kong-based Power Finance Holdings for \$ 4.5 billion. Power Finance Holdings operates in the Indian state of Bihar and the southern state of Andhra Pradesh. The cash-strapped state is looking to raise the money from the sale to overcome its financial problems. It is the fourth bank to get a license to sell its branches.
