## System Requirements For Auralia:

Software Requirements: Other Notes: Launch Resume, a game I wrote way back when, is one of those games that I have played over and over again, and each time I play it, I find some new way to improve the design. This version is the result of hundreds of hours of playtime. The launch of Launch Resume 2.0 was accompanied by a Kickstarter campaign. If you would like to find out more about that, visit the Kickstarter page. The price on Steam is \$5.99 USD.
