
HD Online Player (Dragon Ball Z Broly The Legendary Su)

Off to the Champa Arc! Whatever you say about the animation in some episodes, nothing stops me from loving This Show! Dragon Ball Z is big... and colorful... and fantastic... and sometimes too complex... and sometimes too childish... and that doesn't mean it's bad, at least... I so I say, I'm obviously not a CGI expert. So let's go over some of the things I don't understand about animation and also some of the things I've learned from it. Let's start from the very beginning. Dragon Ball Z has a few moments where it looks like CGI but is actually not.
